Fee for Article 3A Credits
North Carolina Department of Revenue

Every individual, partnership, corporation (domestic or foreign), limited liability company, estate, trust, and insurance company that engages in an activity for which an Article 3A credit is allowed and that intends to claim the credit must pay a fee of \$500.00 for each credit if the establishment at which the activity occurred is in an enterprise tier 3, 4, or 5 area. **The maximum fee is \$1500 per year.** There is no fee for a credit if the establishment at which the activity occurred is in an enterprise tier 1 or tier 2 area, in a development zone, or in an agrarian growth zone. If the credit relates to an establishment that is in more than one enterprise tier area, the fee is based on the highest-numbered tier area. **Partners, members, and shareholders of pass-through entities are not subject to the fee.**
