Important Notice To IFTA and Intrastate Motor Carriers

The 2005 North Carolina licenses and decal(s) expired on February 28, 2006. The 2006 decal(s) were required to be on your vehicle(s) effective March 1, 2006.

Decals must be placed on the exterior portion of both sides of the cab. In order to avoid a \$100.00 citation, all operators of qualified vehicles must have proper credentials or a temporary fuel permit.

If you do not have the 2006 license and decal(s), please contact the Motor Fuels Tax Division at 919-733-3409 or toll free at 1-877-308-9092.

Confidentiality of Tax Information and Identify Theft Protection

Identification Numbers:

The Department of Revenue, Motor Fuels Tax Division has changed the format of all forms and mailing labels to ensure that the taxpayer account number does not appear on the exterior of any mailing envelope or visible through a window envelope.

As you begin to receive documents, including the first quarter 2006 IFTA Quarterly Tax Return, you will notice that the identification numbers have been relocated to ensure their security.

This change is being made to protect the privacy and identity of our customers.

Should you have questions or need further information regarding this change, please contact us at 919-733-3409 or toll free at 1-877-308-9092.
