

Excise Tax Division Motor Carrier Seminars

The Excise Tax Division will be hosting Motor Carrier Seminars during the months of July and August. These seminars are designed to educate taxpayers concerning laws, to explain forms, and to answer questions in order to facilitate taxpayer compliance.

The North Carolina Department of Revenue, State Highway Patrol, and Division of Motor Vehicles IRP Section will participate in this endeavor. In addition to topics on reporting requirements and procedures, each agency provides a presentation explaining what records should be maintained. The seminars provide a great opportunity for taxpayers to ask questions and meet the agency representatives assigned to their areas.

In an effort to reach as many taxpayers as possible, seminars will be held throughout the state. Registration forms will be sent to all registered taxpayers notifying them of the upcoming seminars. The upcoming sessions will be conducted in the following cities:
